

Driving Hope Campaign

Example of one Billboard sponsored by 'The Driving Hope Campaign', located in Mid-Missouri.

Rejoicing In Hope.org and **Michael Burris Ministries** are pleased to announce the beginning of our Driving Hope Campaign. **The Driving Hope Campaign** is the placement of roadside poster billboards along major highways throughout Missouri. The billboards are designed to catch the attention of those in need of hope. They display the simple question, "Need Hope Today?" as well as the Rejoicinginhope.org address. Keep this project in prayer - that God would direct those who need hope and healing to the billboards. We have received a testimony from a young lady who was encouraged after heartbreaking news by an encounter with one of the first signs placed.

We have an opportunity to buy unsold billboards for a small percentage of normal retail pricing . We need partners to help spread the message of hope of the Gospel of Jesus Christ.

If you would like more information about the Driving Hope Campaign or would like to contribute to the project please contact:
